

2025 Formulary Tier 6 Select Care Drugs

At Blue Cross and Blue Shield of North Carolina (Blue Cross NC), we work to make sure members get the most out of every health care dollar. That's why Blue Medicare HMO and Blue Medicare PPO members can take advantage of a \$0 copay at in-network, preferred pharmacies – or a low copay at in-network, standard pharmacies – on a wide range of commonly prescribed drugs. Included are generic drugs for high blood pressure, high cholesterol and diabetes. Use this list to make sure you get the best value from your pharmacy benefits.

The **generic drugs** listed below have a \$0 copay at preferred retail pharmacies and the following mail order pharmacies: **Amazon Pharmacy, Express Scripts® Pharmacy,** and **Walgreens Mail Service.** To find a preferred retail pharmacy near you, visit: [BlueCrossNC.com/Members/Find-Care](https://www.BlueCrossNC.com/Members/Find-Care).
