Health Plan for UNC School of the Arts Students | 2025–2026

# Student Blue

## A healthy plan for a successful future

The University of North Carolina System has selected Student Blue to provide you with quality health insurance coverage from Blue Cross and Blue Shield of North Carolina (Blue Cross NC). With Student Blue, you have low out-of-pocket costs and worldwide coverage.<sup>1</sup> You have two options to choose from: A new, lower-cost Value plan, or our Premium plan that has been traditionally offered over the years and includes richer benefits. Both the Value and Premium plans provide coverage at school, at home or worldwide. If you are on the plan now and would like to continue without changes, please select the Premium option.

All eligible students enrolled in UNC System universities are required to have health insurance coverage. The UNC System endorses a cost-effective Student Health Insurance Plan (SHIP) that covers additional health care expenses not included in the Student Health Fee. This plan is administered by Blue Cross NC. Each semester, the SHIP premium is added to all eligible students' university accounts. Eligible students must pay the premium and enroll, or complete the online waiver process with their own creditable insurance coverage before the deadline each semester. Once the waiver is verified and approved, the premium will be credited to the student's account.

### Am I eligible for the UNC System plan?
