### Disclaimer

These reimbursement policies serve as a guide to assist you in accurate claims submissions and to outline the basis for reimbursement if the service is covered by a member's Blue Cross and Blue Shield of North Carolina (Blue Cross NC) Medicare Advantage benefit plan if the service is covered for Healthy Blue + Medicare<sup>SM</sup> (HMO D-SNP). The determination that a service, procedure, item, etc. is covered under a member's benefit plan is not a determination that you will be reimbursed. Services must meet authorization and medical necessity guidelines appropriate to the procedure and diagnosis as well as to the member's state of residence.

You must follow proper billing and submission guidelines. You are required to use industry standard, compliant codes on all claim submissions. Services should be billed with Current Procedure Terminology® (CPT) codes, Healthcare Common Procedure Coding System (HCPCS) codes, and/or revenue codes. These codes denote the services and/or procedures performed and, when billed, must be fully supported in the medical record and/or office notes. Unless otherwise noted within the policy, our reimbursement policies apply to both participating and non-participating professional providers and facilities.

If appropriate coding/billing guidelines or current reimbursement policies are not followed, Blue Cross NC Medicare Advantage may:

- Reject or deny the claim.
- Recover and/or recoup claim payment.
- Adjust the reimbursement to reflect the appropriate services and/or procedures performed.

### Policy

Blue Cross NC Medicare Advantage allows reimbursement for a corrected claim when received within the applicable timely filing requirements of the original claim unless provider, state, federal, or CMS contracts and/or requirements indicate otherwise.

Due to the initial claim not being considered a clean claim, the corrected claim must be received within the timely filing limit outlined. For participating and nonparticipating providers, Blue Cross NC Medicare Advantage follows the standard of 12 months from the date of service.

Providers resubmitting paper claims for corrections must clearly mark the claim **Corrected Claims**. Corrected claims submitted electronically must have the applicable frequency code. Failure to mark the claim appropriately may result in denial of the claim as a duplicate.

Corrected claims filed beyond federal, state-mandated, or company standard timely filing limits will be denied as outside the timely filing limit. Services denied for failure to meet timely filing requirements are not subject to reimbursement unless the provider presents documentation proving a corrected claim was filed within the applicable filing limit.

Blue Cross NC Medicare Advantage reserves the right to waive corrected claim filing requirements on a temporary basis following documented natural disasters or under applicable state guidance.

**Note:** Corrected claims must be submitted separately for each member and episode of care, and cannot be accepted by batch, bulk, or packaged submissions.
