Category/Code Assignment Detail

- Service Categories have been created using a combination of Berenson-Eggers Type of Service (BETOS) and Clinical Classification Software (CCS) published by the Agency for Healthcare Research and Quality (AHRQ).
 The presence of a Service Code on this list does not obligate us to make payment on a claim for a service or supply that is not covered under the terms of the applicable
- Benefit Plan.
- Selected codes, shaded in this document for reference, are subject to reduction for "Mid-Level Providers" pursuant to contractual and/or policy specifications.

 Blue Cross NC reserves the right to correct any typographical errors or omissions.

 Please reference CCS/BETOS Pricing Policy for additional information.
