Inpatient Psychiatric Care – Child or Adolescent

Patient Name	Experience Health Patient ID number	Patient Date of Birth

An URGENT review of services may be requested when, in the opinion of a practitioner with knowledge of the member's medical or behavioral condition, believes application of the timeframe for making routine or nonlife - threatening care determinations could seriously jeopardize the life, health or safety of the member or others.

Does the overseeing physician consider this an URGENT request? YES NO

If YES is selected, please include rationale of member's current condition, requiring URGENT review:

By signing below, I certify that I have appropriate authority to request prior authorization for the item(s) indicated on this request and that the patient's medical records accurately reflect the information provided. I understand that Experience Health Medicare Advantagesm (HMO) may request medical records for this patient at any time to verify this information. I further understand that if Experience Health Medicare Advantage determines this information is not reflected in the patient's medical records, Experience Health may request a refund of any payments made and/or pursue any other remedies available. Finally, I certify that I've completed this form in its entirety and I understand that an incomplete form may delay processing.
