GETTING STARTED WITH BLUE VALUE WITH UNC HEALTH ALLIANCE

IMPORTANT INFORMATION REGARDING THIS HEALTH BENEFIT PLAN:

You may have purchased this health benefit plan through the Health Insurance MARKETPLACE (MARKETPLACE) established through the federal health care reform legislation called the Patient Protection and Affordable Care Act. In order for a health insurance plan to be offered in the MARKETPLACE, it must meet the requirements of a qualified health plan (QHP) which include coverage of a core set of benefits, called ESSENTIAL HEALTH BENEFITS, and certain limits on deductibles, copayments, and out-of-pocket costs. See “Glossary” for a list of the services that are considered ESSENTIAL HEALTH BENEFITS. Note that while no annual or lifetime dollar limits are allowed on ESSENTIAL HEALTH BENEFITS, federal law does allow insurance companies to include annual or lifetime dollar limits on non-essential health benefits. See “Summary of Benefits” for any limits that may apply.

By purchasing health insurance through the MARKETPLACE and depending on your household income, you may be eligible for federal subsidies, including a new type of tax credit that you can use to lower your monthly health insurance premium (called a premium subsidy) and/or financial assistance on out-of-pocket expenses, called cost-sharing reductions. In certain situations, the federal government no longer offers a premium subsidy once an individual qualifies for health benefits under the Medicare program. However, the rules that apply to such situations are complex. If you have questions about how your Medicare eligibility might affect the subsidy you are receiving, you should contact the MARKETPLACE. Find out more at www.healthcare.gov.

In accordance with applicable federal law, Blue Cross NC will not discriminate against any health care PROVIDER acting within the scope of their license or certification, or against any person who has received federal subsidies, or taken any other action to endorse his or her right under applicable federal law. Further, Blue Cross NC shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

Getting Started
This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It’s important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the “Who to Contact” section.

Notes on Words
As you read this benefit booklet, keep in mind that any word you see in small capital letters (SMALL CAPITAL LETTERS) is a defined term and appears in “Glossary” at the end of this benefit booklet. The terms “we,” “us,” and “Blue Cross NC” refer to Blue Cross and Blue Shield of North Carolina.

This Booklet
This booklet tells you about:
• Your COVERED SERVICES and exclusions - or services that are not covered
• How your health benefit plan works
• How we share expenses for COVERED SERVICES
• Who is eligible to be covered under this health benefit plan and when this coverage starts and ends
GETTING STARTED WITH BLUE VALUE WITH UNC HEALTH ALLIANCE  (cont.)

• Our UTILIZATION MANAGEMENT programs and the right to appeal the decision
• Any Special Programs that may come with your health benefit plan

Prior Review and Certification

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a full denial of benefits. General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in “COVERED SERVICES.” To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit our website at www.BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See “PRIOR REVIEW/Pre-Service” in “UTILIZATION MANAGEMENT” for information about the review process.

Exclusions and Limitations

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in “COVERED SERVICES.” Exclusions that apply to many services are listed in “What Is Not Covered?” To understand the exclusions and limitations that apply to each service, read “COVERED SERVICES,” “Summary of Benefits” and “What Is Not Covered?”

No Assignment of Benefits

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits and the right to receive payment under this health benefit plan cannot be transferred or assigned to any other entity, including PROVIDERS. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER’S right to be paid directly is through such contract with Blue Cross NC, and not through this health benefit plan. Under this health benefit plan, Blue Cross NC has the sole right to determine if payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC’s decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under this health benefit plan, including, but not limited to, benefits, payments or procedures.

More Information upon Request

You may receive, upon request, information about Blue Value with UNC Health Alliance, its services and DOCTORS, including a printed copy of this benefit booklet with a benefit summary, and a printed directory of IN-NETWORK PROVIDERS.

Medical and Reimbursement Policies

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, COSMETIC, or a convenience item. The most up-to-date medical and reimbursement policies are available at www.BlueCrossNC.com, or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Reduced or Waived Payments

From time to time, MEMBERS may receive a reduced or waived copayment, deductible, and/or coinsurance on designated services, therapies, or PRESCRIPTION DRUGS in connection with programs designed to reduce medical costs, or to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.
Depending on your plan, the manufacturer may, from time to time, provide a rebate, or discount for certain PRESCRIPTION DRUGS, or durable medical equipment. These rebates may be automatically applied to the ALLOWED AMOUNT of the PRESCRIPTION DRUG, or durable medical equipment, reducing the cost-sharing amounts you may owe. Which PRESCRIPTION DRUGS, or durable medical equipment receive rebates and how long the rebates are in place may change without notice.

**Common Insurance Terms**

To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below and the “Glossary”:

<table>
<thead>
<tr>
<th>Term</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Copayment</td>
<td>The fixed dollar amount you must pay for some COVERED SERVICES at the time you receive them, if this health benefit plan includes copayments. One copayment covers most services at a PROVIDER’S office. Copayments may also apply to URGENT CARE and emergency room services. Copayments are not credited to the deductible; however, they are credited to the TOTAL OUT-OF-POCKET LIMIT.</td>
</tr>
<tr>
<td>Deductible</td>
<td>The dollar amount you must incur for COVERED SERVICES in a BENEFIT PERIOD before benefits are payable under this health benefit plan. The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or charges for noncovered services.</td>
</tr>
<tr>
<td>Coinsurance</td>
<td>The sharing of charges by Blue Cross NC and you for COVERED SERVICES, after you have met your BENEFIT PERIOD deductible. The coinsurance listed is your share of the cost of a COVERED SERVICE.</td>
</tr>
<tr>
<td>TOTAL OUT-OF-POCKET LIMIT</td>
<td>The TOTAL OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a BENEFIT PERIOD before Blue Cross NC pays 100% of COVERED SERVICES. Amounts applied to your deductible and coinsurance, as well as any applicable copayments, count towards your TOTAL OUT-OF-POCKET LIMIT. The TOTAL OUT-OF-POCKET LIMIT does not include charges over ALLOWED AMOUNTS, including any charges over the allowable cost difference between GENERIC and BRAND-NAME drugs, premiums and charges for noncovered services.</td>
</tr>

**Most Cost-Effective Benefit Level**

As a MEMBER of the Blue Value with UNC Health Alliance plan, you will enjoy quality health care from a network of health care PROVIDERS. You do not have to get a referral to see your DOCTOR and you will have easy access to SPECIALISTS. To get the most from your health care benefits, visit an IN-NETWORK PROVIDER. Although Blue Value with UNC Health Alliance has a smaller network, you still have access to IN-NETWORK PROVIDERS, as well as OUT-OF-NETWORK PROVIDERS—the main difference will be the cost to you. Benefits are available for services from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible. NOTE: **Blue Value with UNC Health Alliance has a smaller PROVIDER network, so not all PROVIDERS participate with all Blue Cross NC plans.** For a list of eligible PROVIDERS, please visit our website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

OUT-OF-NETWORK Benefit Exceptions

In an EMERGENCY, in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC’s access to care standards, or in continuity of care situations, OUT-OF-NETWORK benefits will be paid at the IN-NETWORK benefit level. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. If you are billed by the PROVIDER, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

For more information, see one of the following sections: “EMERGENCY Care” or “Continuity of Care” in “UTILIZATION MANAGEMENT.” For information about Blue Cross NC’s access to care standards, see our website at www.BlueCrossNC.com and type “access to care” in the search bar. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

Carry Your IDENTIFICATION CARD

Your ID CARD identifies you as a Blue Value with UNC Health Alliance MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit our website at BlueConnectNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

Blue Cross NC does not require that you designate a PCP to manage your health care. However, it is important for you to maintain a relationship with a PCP, who will help you manage your health and make decisions about your health care needs. If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS from medical specialties such as family practice, internal medicine and pediatrics may participate as PCPs.
How Blue Value with UNC Health Alliance Works (cont.)

Please visit our website at www.BlueCrossNC.com and click on ‘Find a Doctor’ or call Blue Cross NC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition, see “Continuity of Care” in “Utilization Management.”

Upon the request of the MEMBER and subject to approval by Blue Cross NC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER’s PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER’s primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and Blue Cross NC, with notice to the PCP if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER’s primary and specialty care.

To make this request or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Premium Payments

You may view payment information, payment history, and current amount due by visiting our website at www.BlueCrossNC.com. Your premiums are due on or before your premium due date. If you pay your premiums through automatic bank draft, please be aware that if there are insufficient funds, Blue Cross NC may attempt to debit your bank account until sufficient funds are received. We will not make more than two attempts to debit your bank account. Blue Cross NC does not charge a fee for this service; however, your bank may charge a fee if there are insufficient funds to cover the payment.

If premium payments are not made within the time allowed, this health benefit plan will be terminated. In order to enroll in a new plan after terminating for nonpayment, Blue Cross NC may require you to pay any past due premiums within the last 12 months in addition to the first month’s premium for your new plan, as allowed under Federal law.

If you purchased a MARKETPLACE plan, the MARKETPLACE determines your eligibility for and/or any amount of the Advanced Premium Tax Credit (APTC) that you may be eligible to receive. Blue Cross NC will only accept APTC information from the MARKETPLACE. For any questions or concerns regarding your eligibility or amount of your APTC, please contact the MARKETPLACE at www.healthcare.gov or call the number listed in “Who to Contact?”

Grace Period

If your premium payment is not received by the due date you will receive a grace period to allow time for payment before your policy terminates.

- A 25-day grace period applies if:
  - You did not purchase a MARKETPLACE plan
  - You purchased a MARKETPLACE plan and you do NOT receive an APTC
- A three-month grace period applies if you purchased a MARKETPLACE plan and you receive an APTC.

If Blue Cross NC receives your premiums past the premium due date, Blue Cross NC may charge a fee for any
late payment of premiums. You will be notified if you incur any fees charged by Blue Cross NC. Failure to pay the fee, either by separate payment or by including the payment with your next premium payment, will result in your next payment being applied first to any outstanding fees incurred and then to your premium payment. This may result in a shortage of monies owed on your premium payment and may result in termination of coverage. See “Termination of Member Coverage.”

Reinstating Your Policy

If you have been terminated and wish to be reinstated, the following applies:

• If you purchased a Marketplace plan, the Marketplace will determine your eligibility for reinstatement. Contact the Marketplace for further assistance.

• If you did not purchase a Marketplace plan, you must request reinstatement within 30 days from the date of the termination notice using one of the following options:
  – Submit a written request along with a check or money order, payable to Blue Cross NC Financial Processing Services:
    PO Box 30080
    Durham, NC 27707-3080
  – Call our pay-by-phone number at 1-800-333-7009 to pay with credit or debit card or have your checking account drafted
  – Log on to your Blue Connect account to pay with credit or debit card or have your checking account drafted

To be reinstated, you must pay any overdue premiums owed plus the current amount due, and any administrative fees in order to bring your account to a current status.

In the event that reinstatement is not approved, you may choose to reapply for health insurance coverage at the allowed times by filling out the proper application. Reapplying for coverage does not guarantee approval of coverage.

Please note that premium payments are automatically deposited. Blue Cross NC’s deposit of premiums does not mean an acceptance of coverage. If you have been notified that your coverage is terminated or is scheduled to be terminated, any deposit of premiums by Blue Cross NC in excess of premiums that are due and owing for the coverage period will not constitute an extension of coverage. Blue Cross NC will return any excess premium payments. When Blue Cross NC decides at its sole discretion to accept a late premium payment, Blue Cross NC will reinstate your coverage back to the date of termination rather than return such premium payment provided that all outstanding fees have been paid.

Office Services

Your health benefit plan covers care you receive as part of an OFFICE VISIT, including:
- electronic visit
- evaluations and treatment of obesity
- house call

This health benefit plan may have a visit limit on PCP OFFICE VISITS, see “Summary of Benefits.” PCP OFFICE VISITS in excess of any visit limits are subject to deductible and coinsurance. If applicable, multiple OFFICE VISITS on the same day may result in multiple copayments.

If this health benefit plan has copayments for PCP OFFICE VISITS, a copayment will not apply if you only receive services such as allergy shots or other injections and are not charged for an OFFICE VISIT.

If this health benefit plan has copayments for PCP or SPECIALIST OFFICE VISIT, certain office SURGERIES for the treatment of sinus disease are subject to deductible and coinsurance.

Certain office SURGERIES may require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Some DOCTORS or OTHER PROVIDERS may practice in HOSPITAL-based or OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC in “Summary of Benefits.”
PREVENTIVE CARE

This health benefit plan covers PREVENTIVE CARE that can help you stay safe and healthy.

PREVENTIVE CARE services may fall into two categories: (1) federally-mandated PREVENTIVE CARE services (required to be paid at no cost to you IN-NETWORK); and (2) state-mandated PREVENTIVE CARE services (required to be offered both IN and OUT-OF-NETWORK). In order to determine your benefit, it is important to understand what type of PREVENTIVE CARE service you are receiving, where you are receiving it and why you are receiving it.

Federally-Mandated PREVENTIVE CARE Services

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, outpatient ambulatory surgical setting, or URGENT CARE center at no cost to you. Please log on to our website at www.bluecrossnc.com/preventive or call Blue Cross NC Customer Service at the number in “Who to Contact?” for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including general preventive services and screenings, immunizations, well-baby/well-child care, women’s PREVENTIVE CARE, nutritional counseling visits and certain over-the-counter medications. Nutritional counseling visits are separate from the obesity-related OFFICE VISITS noted in the “Summary of Benefits.” Certain over-the-counter medications are covered only as indicated and when a PROVIDER’S PRESCRIPTION is presented at a pharmacy.

The following conditions must be met for these services to be covered at no cost to you IN-NETWORK:

- Services are designated as PREVENTIVE CARE services under federal law (see above website for the most up-to-date information);
- Services are performed by an IN-NETWORK PROVIDER;
- Services are provided in an office-based, outpatient or ambulatory setting or URGENT CARE CENTER; and
- Services are filed with a primary diagnosis of preventive or wellness, and do not include any additional procedures, such as diagnostic services.

Please note that if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided. Blue Cross NC may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply. Services that would otherwise be excluded under this health benefit plan will be covered at no cost sharing if the criteria mentioned above are met. Visit www.bluecrossnc.com/preventive or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” for a complete list of these federally-mandated PREVENTIVE CARE services that are covered under this health benefit plan.

In certain instances, you may receive PREVENTIVE CARE services that are covered under this health benefit plan; however, these services are subject to your applicable copayment, deductible and coinsurance. The following information will help you determine why you did not receive these services at no cost to you:

Most PREVENTIVE CARE services performed by OUT-OF-NETWORK PROVIDERS are not covered. However, the following list of services is mandated by the state of North Carolina and is available OUT-OF-NETWORK. If you see an OUT-OF-NETWORK PROVIDER for these services, your benefits will be subject to the OUT-OF-NETWORK benefit level.

**State-Mandated PREVENTIVE CARE Services:**

The following benefits are available in-network and out-of-network:

**Bone Mass Measurement Services**

This health benefit plan covers one scientifically proven and approved bone mass measurement for the diagnosis and evaluation of osteoporosis or low bone mass during any 23-month period for certain qualified individuals only. Additional follow-up bone mass measurement tests will be covered if MEDICALLY NECESSARY. Please note that bone mass measurement tests will be covered under your diagnostic benefit (not your PREVENTIVE CARE benefit) if the claim for these services indicates a primary diagnosis of something other than preventive or wellness. Your diagnostic benefit will be subject to your benefit level for the location where services are received.

Qualified individuals include MEMBERS who have any one of the following conditions:

- Estrogen-deficient and at clinical risk of osteoporosis or low bone mass
- Radiographic osteopenia anywhere in the skeleton
COVERED SERVICES (cont.)

- Receiving long-term glucocorticoid (steroid) therapy
- Primary hyperparathyroidism
- Being monitored to assess the response or effect of commonly accepted osteoporosis drug therapies
- History of low-trauma fractures
- Other conditions, or receiving medical therapies known to cause osteoporosis or low bone mass.

Colorectal Screening

Colorectal cancer examinations and laboratory tests for cancer are covered for any symptomatic or asymptomatic MEMBER who is at least 50 years of age, or is less than 50 years of age and at high risk for colorectal cancer. Increased/high risk individuals are those who have a higher potential of developing colon cancer because of a personal or family history of certain intestinal disorders. Some of these procedures are considered SURGERY, such as colonoscopy and sigmoidoscopy, and others are considered lab tests, such as hemoccult screenings. Lab work done as a result of a colorectal screening exam will be covered under your diagnostic benefit and not be considered PREVENTIVE CARE. It will be subject to your benefit level for the location where services are received. However, lab work for the removal of polyps during the screening exam is considered PREVENTIVE CARE.

The PROVIDER search on our website at www.BlueCrossNC.com can help you find office-based PROVIDERS or you can call Blue Cross NC Customer Service at the number listed in “Who to Contact?” for this information.

Gynecological Exam and Cervical Cancer Screening

The cervical cancer screening benefit includes the examination and laboratory tests for early detection and screening of cervical cancer, and DOCTOR’S interpretation of the lab results. Coverage for cervical cancer screening includes Pap smear screening, liquid-based cytology, and human papillomavirus detection, and shall follow the American Cancer Society guidelines or guidelines adopted by the North Carolina Advisory Committee on Cancer Coordination and Control.

Newborn Hearing Screening

Coverage is provided for newborn hearing screening ordered by a DOCTOR to determine the presence of permanent hearing loss.

Ovarian Cancer Screening

For female MEMBERS ages 25 and older at risk for ovarian cancer, an annual screening, including a transvaginal ultrasound and a rectovaginal pelvic examination, is covered. Female MEMBERS are considered “at risk” if they:

• have a family history with at least one first-degree relative with ovarian cancer; and a second relative, either first-degree or second-degree with breast, ovarian, or nonpolyposis colorectal cancer;
  or
• tested positive for a hereditary ovarian cancer syndrome.

Prostate Screening

One prostate specific antigen (PSA) test or an equivalent serological test will be covered per male
MEMBER per BENEFIT PERIOD. More PSA tests will be covered if recommended by a DOCTOR.

Screening Mammograms
This health benefit plan provides coverage for one baseline mammogram for any female MEMBER between the ages of 35 and 39. Beginning at age 40, one screening mammogram will be covered per female MEMBER per BENEFIT PERIOD, along with a DOCTOR’s interpretation of the results. More frequent or earlier mammograms will be covered as recommended by a DOCTOR when a female MEMBER is considered at risk for breast cancer.

Female MEMBERS are “at risk” if they:
- have a personal history of breast cancer
- have a personal history of biopsy-proven benign breast disease
- have a mother, sister, or daughter who has or has had breast cancer, or
- have not given birth before the age of 30.

PREVENTIVE CARE Exclusions
- Immunizations required for occupational hazard or international travel.
- Diagnostic services used for prevention or screening that are not recognized as recommended PREVENTIVE CARE services (Grade A or B) by the United States Preventive Services Task Force, and filed with a preventive/wellness diagnosis, including, but not limited to:
  - Albumin (urine) testing
  - Chest x-rays
  - EKGs
  - Iron level testing
  - Testosterone level testing
  - Thyroid function testing
  - Urinalysis
  - Vitamin B or D serum testing.

For information on how these services would be covered as diagnostic, see Diagnostic Services in “COVERED SERVICES.”

EMERGENCY, Urgent Care, and Ambulance Services
This health benefit plan provides benefits for EMERGENCY SERVICES. An EMERGENCY is the sudden and unexpected onset of a condition of such severity that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in any of the following:
- Placing the health of an individual or with respect to a pregnant MEMBER, the health of the pregnant MEMBER or their unborn child in serious jeopardy
- Serious physical impairment to bodily functions
- Serious dysfunction of any bodily organ or part
- Death.

Heart attacks, strokes, uncontrolled bleeding, poisonings, major burns, prolonged loss of consciousness, spinal injuries, shock and other severe, acute conditions are examples of EMERGENCIES.

What to Do in an EMERGENCY
In an EMERGENCY, you should seek care immediately from an EMERGENCY room or other similar facility. If necessary and available, call 911 or use other community EMERGENCY resources to obtain assistance in handling life-threatening EMERGENCIES. PRIOR REVIEW is not required for EMERGENCY SERVICES. If you are unsure if your condition is an EMERGENCY, you can call Health Line BlueSM, and a Health Line BlueSM nurse will provide information and support that may save you an unnecessary trip to the emergency room.

**URGENT CARE**

This health benefit plan also provides benefits for URGENT CARE services. When you need URGENT CARE, call your PCP, a SPECIALIST or go to an URGENT CARE PROVIDER. If you are not sure if your condition requires URGENT CARE, you can call Health Line BlueSM.

**Ambulance Services**

This health benefit plan covers services in a ground ambulance traveling:

- From a MEMBER’S home or scene of an accident or EMERGENCY to a HOSPITAL
- Between HOSPITALS
COVERED SERVICES (cont.)

- Between a HOSPITAL and a SKILLED NURSING FACILITY when such a facility is the closest one that can provide COVERED SERVICES appropriate to your condition.

Benefits may also be provided for ambulance services from a HOSPITAL or SKILLED NURSING FACILITY to a MEMBER’S home when MEDICALLY NECESSARY.

This health benefit plan covers services in an air ambulance only when:
- ground transportation is not medically appropriate due to the severity of the illness or the pick-up point is inaccessible by land
- traveling from the site of an EMERGENCY to a HOSPITAL when such a facility is the closest one that can provide COVERED SERVICES appropriate to your condition.

Nonemergency air ambulance services require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Ambulance Services Exclusions
- Services provided primarily for the convenience of travel
- Transportation to or from a DOCTOR’S office or dialysis center
- Transportation for the purpose of receiving services that are not considered COVERED SERVICES, even if the destination is an appropriate facility.

HOSPITAL and Other Facility Care

Benefits are provided for:
- Inpatient services received in a HOSPITAL or NONHOSPITAL FACILITY. You are considered an inpatient if you are admitted to the HOSPITAL or NONHOSPITAL FACILITY as a registered bed patient for whom a room and board charge is made. Your IN-NETWORK PROVIDER is required to use the POS network HOSPITAL where he/she practices, unless the hospital cannot provide the services you need. If you are admitted before the EFFECTIVE DATE, benefits will not be available for services received prior to the EFFECTIVE DATE. Take-home drugs are covered as part of your PRESCRIPTION DRUG benefit. PRIOR REVIEW must be requested and CERTIFICATION must be obtained in advance from Blue Cross NC for inpatient admissions, except for maternity deliveries and EMERGENCIES. See “Maternity Care” and “EMERGENCY, URGENT CARE and Ambulance Services.” IN-NETWORK PROVIDERS in North Carolina are responsible for requesting PRIOR REVIEW and obtaining CERTIFICATION. If PRIOR REVIEW is not requested and CERTIFICATION not obtained for covered OUT-OF-NETWORK inpatient admissions, services will be denied.
- Outpatient services received in a HOSPITAL, a HOSPITAL-based facility, NONHOSPITAL FACILITY or a HOSPITAL-based or OUTPATIENT CLINIC
- Surgical services received in an AMBULATORY SURGICAL CENTER
- COVERED SERVICES received in a SKILLED NURSING FACILITY.

PRIOR REVIEW must be requested and CERTIFICATION must be obtained in advance from Blue Cross NC in order for services to be covered. However, CERTIFICATION is not required for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified SKILLED NURSING FACILITY.

Alternatives to HOSPITAL Stays

Home Health Care

Home health care services are covered when ordered by your DOCTOR for a MEMBER who is HOMEBOUND due
to illness or injury, or is actively receiving treatment for a cancer related problem, and you need part-time or intermittent skilled nursing care from a REGISTERED NURSE (RN) or LICENSED PRACTICAL NURSE (LPN) and/or other skilled care services like REHABILITATIVE THERAPY and HABILITATIVE SERVICES. Usually, a HOME HEALTH AGENCY coordinates the services your DOCTOR orders for you. Services from a home health aide may be eligible for coverage only when the care provided supports a skilled service being delivered in the home.

Home health skilled nursing care requires PRIOR REVIEW and CERTIFICATION or services will not be covered.

**HOSPICE Services**

Your coverage provides benefits for HOSPICE services for care of a terminally ill MEMBER with a life expectancy of six months or less. Services are covered only as part of a licensed health care program centrally coordinated through an interdisciplinary team directed by a DOCTOR that provides an integrated set of services and supplies designed to give comfort, pain relief and support to terminally ill patients and their families.

**Private Duty Nursing**

This health benefit plan provides benefits for MEDICALLY NECESSARY private duty services of an RN or LPN when ordered by a DOCTOR for a MEMBER who may be receiving active care management. Private duty nursing provides more individual and continuous skilled care than can be provided in a skilled nursing visit through a HOME HEALTH AGENCY. See “Care Management.”

Private duty nursing requires PRIOR REVIEW and CERTIFICATION or services will not be covered.

**Private Duty Nursing Exclusion**

- Services provided by a close relative or a member of your household.

**Family Planning**

**Maternity Care**

Maternity care benefits, including prenatal care, admission to labor and delivery, management of labor including fetal monitoring, delivery and uncomplicated post-delivery care until six weeks postpartum, are available to all MEMBERS and are covered. Together these make up the global maternity delivery fee. See the chart below for additional information. See www.bluecrossnc.com/preventive or call Blue Cross NC Customer Service for additional information and any limitations that may apply.

If this health benefit plan has an OFFICE VISIT copayment and you change PROVIDERS during pregnancy, terminate coverage during pregnancy, or the pregnancy does not result in delivery, one or more copayments may be charged for prenatal services depending upon how the services are billed by the PROVIDER.

Tier placement of PRESCRIPTION DRUGS in the FORMULARY may be determined by the effectiveness and safety of the drug, the cost of the drug, and/or the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally recognized drug-databases (e.g., Medispan).

The lowest cost PRESCRIPTION DRUGS, such as GENERICS, are generally located on the lowest tiers – Tier 1 and Tier 2. Higher cost PRESCRIPTION DRUGS, such as BRAND-NAME PRESCRIPTION DRUGS are generally located on the higher tiers. All tiers of the FORMULARY may contain GENERIC and BRAND-NAME PRESCRIPTION DRUGS.

SPECIALTY DRUGS, if applicable, are located on the highest tier(s) of your plan, even though they may be classified as GENERIC, BRAND-NAME, BIOLOGIC, or BIOSIMILAR PRESCRIPTION DRUGS. Visit our website at https://www.bluecrossnc.com/how-drug-benefits-work for additional information on the tier classification of PRESCRIPTION DRUGS.

The PRESCRIPTION DRUGS listed in the FORMULARY or their tier placement may change from time to time due to a change in the cost of the drug and/or the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally recognized drug databases (e.g., Medispan).

How your PRESCRIPTION is dispensed

In some cases, a PROVIDER may prescribe a total dosage of a drug that requires two or more different drugs in a compound to be dispensed. In these cases, if you have copayments for PRESCRIPTION DRUGS, you will be responsible for one copayment, that of the highest tier drug in the compound, based on each 30-day supply. Please note that some PRESCRIPTION DRUGS are only dispensed in 60- or 90-day quantities. For these drugs, you will pay either two or three copayments depending on the quantity you receive. Please see “Summary of Benefits.”

Certain combinations of compound drugs may require PRIOR REVIEW and CERTIFICATION.

Your PRESCRIPTION DRUG deductible does not apply to the medical BENEFIT PERIOD deductible. However, your PRESCRIPTION DRUG deductible does apply to your TOTAL OUT-OF-POCKET LIMIT.

If you need to receive an extended supply (greater than a 30-day supply and up to a 90-day supply), visit our website at www.BlueCrossNC.com for a listing of retail pharmacies or mail-order service that can dispense an extended supply of your PRESCRIPTION.

You cannot refill a PRESCRIPTION until:

- three-fourths of the time period has passed that the PRESCRIPTION was intended to cover, or

| If you have multiple PRESCRIPTIONS and need to align your refill dates | If you have multiple PRESCRIPTIONS and need to align your refill dates you may need a PRESCRIPTION for less than a 30-day supply. If your DOCTOR or pharmacy agrees to give you a PRESCRIPTION for less than a 30-day supply for this purpose, you will only pay a prorated daily cost-sharing amount (any dispensing fee will not be prorated). This benefit is only available for drugs covered under your PRESCRIPTION DRUG benefit, received at an IN-NETWORK pharmacy, and when PRIOR REVIEW requirements have been met. In addition, the drugs must:  
• be used for treatment and management of chronic conditions and are subject to refills;  
• NOT be a Schedule II or Schedule III controlled substance containing hydrocodone;  
• be able to be split over short-fill periods; and  
• not have quantity limits or dose optimization criteria that would be affected by aligning refill dates. |
| Use of Lower-Cost PRESCRIPTION DRUGS | When choosing a PRESCRIPTION DRUG, you and your DOCTOR should discuss whether a lower-cost PRESCRIPTION DRUG could provide the same results as a more expensive PRESCRIPTION DRUG. If you choose a BRAND-NAME PRESCRIPTION DRUG, your cost may be higher. |
| PRIOR REVIEW Requirements | PRIOR REVIEW and CERTIFICATION by Blue Cross NC are required for some PRESCRIPTION DRUGS or services will not be covered. Blue Cross NC may change the list of these PRESCRIPTION DRUGS from time to time. Blue Cross NC may change the authorization period for which a previously reviewed or certified drug was granted. Should this occur, you will be notified. Please visit www.BlueCrossNC.com for more details. |
| SPECIALTY DRUGS | Blue Cross NC has a separate pharmacy network for purchasing select SPECIALTY DRUGS (“Specialty Network”). These SPECIALTY DRUGS (which include specialty GENERIC or BRAND-NAME PRESCRIPTION DRUGS, as well as BIOLOGIC or BIOSIMILAR PRESCRIPTION DRUGS) must be dispensed by a pharmacy participating in the Specialty Network in order to receive IN-NETWORK benefits. These drugs are limited to a 30-day supply or less. For a list of PRESCRIPTION DRUGS that are considered SPECIALTY DRUGS, visit our website at https://www.bluecrossnc.com/sites/default/files/document/attachment/services/public/pdfs/formulary/specialty-network/specialty-drug-list.pdf. |
| RESTRICTED-ACCESS DRUGS and Devices | Coverage will be provided for a RESTRICTED-ACCESS DRUG or device to a MEMBER without requiring PRIOR REVIEW or CERTIFICATION or use of a nonrestricted FORMULARY |
drug if a MEMBER’s physician certifies in writing that the MEMBER has previously used an alternative nonrestricted-access drug or device and the alternative drug or device has been detrimental to the MEMBER’s health or has been ineffective in treating the same condition and, in the opinion of the prescribing physician, is likely to be detrimental to the MEMBER’s health or ineffective in treating the condition again.

Exception Requests

MEMBERS, their authorized representative or their PROVIDER may request a standard exception request, an expedited exception request, or an external exception request in order to gain access to non-FORMULARY drugs.

As part of an exception request, the MEMBER’s PROVIDER must provide supporting information of the request by including an oral or written statement that provides a justification supporting the need for the non-FORMULARY drug to treat the MEMBER’s condition, including a statement that all covered FORMULARY drugs on any tier (1) will be or have been ineffective; (2) would not be as effective as the non-FORMULARY drug; or (3) would have adverse effects.

MEMBERS (or their authorized representatives) may visit BlueConnectNC.com for information about the ways to submit a request. Generally, MEMBERS may submit requests:

- By fax (visit the website above for fax form and numbers)
- By mail to BlueCross BlueShield of North Carolina, Healthcare Management and Operations, Pharmacy Exception, PO Box 2291, Durham, NC 27702
- By telephone at 1-800-672-7897

Once Blue Cross NC has all necessary information to make a decision, Blue Cross NC will provide a response to the MEMBER and their PROVIDER approving or denying their request (if approved, notice will provide duration of approval) within the following timeframes:

*An expedited request is permissible where a MEMBER is suffering from a health condition that may seriously jeopardize the MEMBER’s life, health, or ability to regain maximum function or when the MEMBER is getting a current course of treatment using a non-FORMULARY drug.
**An external request will be reviewed by an independent review organization contracted by Blue Cross NC.

| Quantity Limitations | Blue Cross NC covers certain PRESCRIPTION DRUGS up to a set quantity based on criteria developed by Blue Cross NC to encourage the appropriate use of the drug. For these PRESCRIPTION DRUGS, PRIOR REVIEW and CERTIFICATION are required before excess quantities of these drugs will be covered. When excess quantities are approved, you may be required to pay an additional copayment, if applicable. |
| Benefit Limitations | Certain PRESCRIPTION DRUGS are subject to benefit limitations, which may include, but not limited to: the amount dispensed per PRESCRIPTION, per day or per defined time period; per lifetime; per month’s supply; or the amount dispensed per single copayment, if applicable. Note: excess quantities are not covered. |

If you purchased a MARKETPLACE plan, your eligibility, enrollment and EFFECTIVE DATE determinations for this health benefit plan will be handled through the MARKETPLACE. Blue Cross NC will be coordinating its enrollment activities with the MARKETPLACE so that you and your DEPENDENTS, if applicable, are enrolled within the timelines and processes established by the MARKETPLACE.

This health benefit plan does not have any WAITING PERIODS for pre-existing conditions (a condition, disease, illness or injury for which medical advice, diagnosis, care or treatment was received or recommended within the 12-month period prior to your EFFECTIVE DATE), unless otherwise specified in “Covered Services.”

**Reporting Changes**

Have you moved, added or changed other health coverage, changed your name or phone number? If you did not purchase a MARKETPLACE plan, visit our website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) to update your information or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” It will help us give you better service if Blue Cross NC is kept informed of these changes. If you purchased a MARKETPLACE plan, you are required to report any changes that may impact your continued enrollment in this health benefit plan to the MARKETPLACE. The MARKETPLACE is responsible for determining your eligibility and for processing your enrollment in the MARKETPLACE. Visit [www.healthcare.gov](http://www.healthcare.gov) for more information. In addition to notifying the MARKETPLACE, you will receive better service if Blue Cross NC is also kept informed of these changes. Please visit our website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com) to update your information or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” Please note that if you move outside of the Blue Value with UNC Health Alliance SERVICE AREA, it may impact your eligibility for this product.

**Renewing or Changing Your Coverage**

If you continue to pay your premiums and meet the eligibility requirements, your coverage will continue, except
WHEN COVERAGE BEGINS AND ENDS (cont.)

as stated in the section “Termination of MEMBER Coverage.” Blue Cross NC may modify your coverage as permitted by state or federal law.

You may only make changes to this health benefit plan during the open enrollment period or during a special enrollment period.

**Multiple Coverage**

If you are enrolled in another insurance plan that offers medical coverage for any of the benefits under this health benefit plan, Blue Cross NC may reduce benefits under this health benefit plan to avoid paying benefits between the two plans that are greater than the cost of the health care service. If you are enrolled in a dental insurance plan that includes pediatric dental coverage, then this health benefit plan will be considered your primary plan and your dental insurance plan will be considered your secondary plan. If you or your DEPENDENTS become eligible for Medicare, you should apply for and enroll in Medicare Part A and Part B, and use PROVIDERS who accept Medicare in order to ensure that you receive full benefit coverage. Blue Cross NC will assume you have enrolled in Medicare and use PROVIDERS who accept Medicare once eligible for benefits thereunder. If you or your DEPENDENTS are covered under this health benefit plan and are eligible for Medicare, Blue Cross NC may take into account the benefits that you or your DEPENDENT are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage. In other words, even if you have not enrolled in Medicare, Blue Cross NC may reduce your claim by the benefits that you are eligible for under Medicare, and then pay the remaining claim amount under the terms of this health benefit plan and in accordance with the Medicare Secondary Payer rules. As a result, your out-of-pocket costs may be higher if you do not enroll in Medicare. If you have both individual coverage and Medicare at the same time, your individual coverage will be terminated if you make benefit changes to your individual plan. See the “Termination of Member Coverage” section for more information.

**Termination of MEMBER Coverage**

A MEMBER’s termination shall be effective at 11:59 p.m. on the date that eligibility ends.

If you did not purchase a MARKETPLACE plan and wish to end your coverage, the SUBSCRIBER may call or write to Blue Cross NC Customer Service and request termination. Your coverage will be terminated as of one of the following: (1) your current paid through date, (2) the date the termination request was received by Blue Cross NC, or (3) any future date between the date of the termination request and the current paid through date.

Coverage may be terminated by Blue Cross NC for any of the following reasons:

- Failure to pay premiums on time. See “Premium Payments.”
- A MEMBER no longer lives, works, or resides in North Carolina or the Blue Value with UNC Health Alliance SERVICE AREA. To be considered a resident of North Carolina and the Blue Value with UNC Health Alliance SERVICE AREA, the MEMBER must reside in North Carolina at least six months or more out of the year and the MEMBER must have a North Carolina and Blue Value with UNC Health Alliance SERVICE AREA permanent address.
- Blue Cross NC stops selling health coverage to individuals, provided 180 days’ prior written notice is given.
- Blue Cross NC stops selling this health coverage to individuals, provided that 90 days’ written notice is given prior to termination. You will be given the option to enroll in another individual health plan that Blue Cross NC offers.
WHEN COVERAGE BEGINS AND ENDS (cont.)

If you have an individual commercial plan and become Medicare entitled (meaning you have Medicare Part A) you may keep your individual commercial plan so long as no benefit changes are made (such as electing different products or different plans within a product).

- When Blue Cross NC becomes aware that you or your dependent(s) have a Medicare plan and either you or Blue Cross NC made a change to your policy, Blue Cross NC will discontinue your individual commercial plan.
- If you enroll in a new plan, and Blue Cross NC becomes aware that you or your dependent(s) have a Medicare plan, we will cancel your individual commercial plan.

Coverage for dependents will terminate under this health benefit plan when they are no longer eligible:

- If you and your spouse divorce, your spouse is no longer eligible under your policy. This will not affect children’s coverage. Spouses are eligible for their own policy; however, a spouse’s request for coverage along with completion of necessary paperwork must be received within 30 days of the date of the divorce to be considered for continuous coverage.
- If your domestic partnership dissolves, your domestic partner is no longer eligible under your policy. This will not affect children’s coverage. Domestic partners are eligible for their own policy; however, a domestic partner’s request for coverage along with completion of necessary paperwork must be received within 30 days of the dissolution of the domestic partnership to be considered for continuous coverage.
- If the subscriber dies, dependents are no longer eligible to continue their health coverage under this health benefit plan. However, once notification of the subscriber’s death is received, dependents will be enrolled on a separate health insurance policy.
- If a dependent child, who is not intellectually disabled or physically handicapped and incapable of self-support, per North Carolina law, reaches age 26.

Termination for Cause

A member’s coverage (if they did not purchase a marketplace plan) may be terminated upon 31 days’ prior written notice for the following reasons:

- The member fails to pay or to have paid on his or her behalf or to make arrangements to pay any applicable copayments, deductible or coinsurance for services covered under the health benefit plan
- No in-network provider is able to establish or maintain a satisfactory doctor-patient relationship with a member, as determined by Blue Cross NC
- A member exhibits disruptive, abusive or fraudulent behavior toward an in-network provider.

As an alternative to termination as stated above, Blue Cross NC, in its sole discretion, may limit or revoke a member’s access to certain in-network providers.

A member’s coverage (if they did not purchase a marketplace plan) may be terminated immediately by Blue Cross NC for the following reasons:

- Fraud or intentional misrepresentation of a material fact by the subscriber or member
- A member has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A member permits the use of his or her or any other member’s ID card by any other person not enrolled under this health benefit plan, or uses another person’s ID card.

If you purchased a marketplace plan, a member may request termination from this health benefit plan at any time as long as the appropriate notice is given. You may contact the marketplace and request termination.
WHEN COVERAGE BEGINS AND ENDS (cont.)

Visit [www.healthcare.gov](http://www.healthcare.gov) for more information about termination events and notice requirements.

The MARKETPLACE may initiate termination of a MEMBER’s coverage in this health benefit plan and must allow Blue Cross NC to terminate such coverage for the reasons stated below. A MEMBER’s termination shall be effective the date of the event unless otherwise noted.

- The MEMBER is no longer eligible for coverage in this health benefit plan through the MARKETPLACE (termination is effective the last day of the month following the month you provide notice to the MARKETPLACE; however, you can request an earlier date. Example: You provide notice on March 15th, your termination date is April 30th);
- The MEMBER changes from one health benefit plan to another during the open or special enrollment period (termination is effective the day before the start of the new coverage);
- This health benefit plan ends or is no longer allowed to be offered as a health insurance plan in the MARKETPLACE. If this health benefit plan is no longer allowed to be offered in the MARKETPLACE, Blue Cross NC may not terminate coverage until the MARKETPLACE has notified you and any enrolled DEPENDENTS, and you have had a chance to enroll in another health insurance plan;
- The MEMBER’S coverage is rescinded due to fraud or intentional misrepresentation of a material fact. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see “Need to Appeal our Decision?” If your policy is rescinded, any premiums paid will be returned unless Blue Cross NC deducts the amount for any claims paid.
- The SUBSCRIBER fails to pay premiums on time. See “Premium Payments.”

Certificate of CREDITABLE COVERAGE

Blue Cross NC will supply a Certificate of CREDITABLE COVERAGE when your or your DEPENDENT’S coverage under the health benefit plan ends. Keep the Certificate of CREDITABLE COVERAGE in a safe place. You may request a Certificate of CREDITABLE COVERAGE from Blue Cross NC Customer Service while you are still covered under this health benefit plan and up to 24 months following your termination. You may call Blue Cross NC Customer Service at 1-888-206-4697 (toll-free) or visit our website at [www.BlueCrossNC.com](http://www.BlueCrossNC.com).
UTILIZATION MANAGEMENT

This section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY.

Table of Contents:
- Rights and Responsibilities
- Prior Review
- Concurrent/Retrospective Review
- Care Management
- Continuity of Care
- Delegated UTILIZATION MANAGEMENT

Key Words:
- Adverse Benefit Determination
- Medically Necessary
- Certification
- Prior Review

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper setting and for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under this health benefit plan unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under this health benefit plan due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums.

Rights and Responsibilities Under the UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC’s ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (doctor licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through our appeals process (see “Need to Appeal Our Decision?”)
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER’S behalf with the MEMBER’S written consent. In the event you name an authorized representative, “you” under the “UTILIZATION MANAGEMENT” section means “you or your authorized representative.” Your representative will also receive all notices and benefit determinations.

Blue Cross NC’S Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed.
- Limit what we ask from you or your PROVIDER to information that is needed to review the service in
question.

• Ask for all information needed to make the UM decision, including related clinical information.
• Provide you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and this health benefit plan.

In the event that Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in “COVERED SERVICES.” These types of reviews are called pre-service reviews. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION. The list of services that need PRIOR REVIEW may change from time to time.

If you fail to follow the procedures for filing a request, Blue Cross NC will let you know of the failure and the proper steps to be followed in filing your request within five days of receiving the request.

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 days if additional information is required. Blue Cross NC will let you and your PROVIDER know before the end of the initial 15-day period of the information needed and the date by which Blue Cross NC expects to make a decision. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you and the PROVIDER know of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

Urgent PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state, or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision as soon as possible, taking into account the medical circumstances. Blue Cross NC will notify you and your PROVIDER of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER.
If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you and your PROVIDER know of the information needed as soon as possible but no later than 24 hours after we receive your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. Blue Cross NC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or within 48 hours after the time period given to the PROVIDER to submit necessary clinical information, whichever comes first.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in “Who to Contact?”

**Concurrent Reviews**

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent, a decision will be made and communicated to the requesting PROVIDER within 3 business days after receipt of all necessary clinical information, but no later than 15 calendar days after we receive the request. In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you, your HOSPITAL’s or other facility’s UM department and/or your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

**Urgent Concurrent Review**

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request. If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

**Retrospective Reviews (Post-Service)**

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the date Blue Cross NC received the
request. In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you and your PROVIDER know in writing within a reasonable time, but no later than 30 calendar days from the date Blue Cross NC received the request. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under this health benefit plan. If more information is needed, before the end of the initial 30-day period, Blue Cross NC will let you know of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC gets the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 calendar days. Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under this health benefit plan due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

**Care Management**

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services. Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and Blue Cross NC to work together to meet the individual’s health needs and promote quality outcomes. To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. Blue Cross NC is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found by contacting an IN-NETWORK PCP or IN-NETWORK SPECIALIST or by calling Blue Cross NC Customer Service.

**Continuity of Care**

Continuity of care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK benefit level when your PROVIDER is no longer in the Point of Service network. If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition that meets our continuity of care criteria, Blue Cross NC will notify you in writing 30 days before the PROVIDER’s termination, as long as Blue Cross NC receives timely notification from the PROVIDER. To be eligible for continuity of care, you must be actively being seen by an OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by Blue Cross NC’s requirements for continuity of care. An ongoing special condition means:

- an acute illness, a condition that is serious enough to require medical care or treatment to avoid a reasonable possibility of death or permanent harm;
- a chronic illness or condition, a disease or condition that is life-threatening, degenerative, or disabling, and requires medical care or treatment over a prolonged period of time;
- pregnancy, during the second and third trimesters;
- a terminal illness, an individual has a medical prognosis that the MEMBER’S life expectancy is six months or less.

The allowed transitional period shall extend up to 90 days, as decided by the PROVIDER, except in the cases of:

- scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
• terminal illness which shall extend through the remainder of the individual’s life for care directly related to the treatment of the terminal illness; and
• second trimester pregnancy which shall extend through the provision of 60 days of postpartum care.

Continuity of care requests must be submitted to Blue Cross NC within 45 days of the PROVIDER termination date or within 45 days of the EFFECTIVE DATE for MEMBERS new to the Blue Cross NC plan. Continuity of care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your continuity of care request is denied, you may request a review through our appeals process (see “Need to Appeal Our Decision?”). Claims for approved continuity of care services will be subject to your IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of care will not be given when the PROVIDER’s contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call Blue Cross NC Customer Service at the number listed in “Who to Contact?” for more information.

Delegated UTILIZATION MANAGEMENT

Blue Cross NC delegates certain UM services for particular benefits to other companies not associated with Blue Cross NC. Please see http://www.bcbs.com/why-bcbs/blue-distinction/bdcenters.html for a detailed list of these companies and benefits. While some benefits have been identified under “COVERED SERVICES,” the list of benefits and/or companies may change from time to time; for the most up-to-date information visit www.BlueCrossNC.com and search for “PRIOR REVIEW” for additional information, including those services subject to PRIOR REVIEW and CERTIFICATION.
NEED TO APPEAL OUR DECISION?

This section tells you more about how the appeals process works and what steps you need to take to file an appeal.

Table of Contents:
- Steps to Follow
- Internal Appeals
- External Review

Key Words:
- ADVERSE BENEFIT DETERMINATION
- GRIEVANCE
- MEDICALLY NECESSARY

In addition to the Utilization Management (UM) program, Blue Cross NC offers a voluntary appeals process for our MEMBERS. An appeal is another review of your case. If you want to appeal an ADVERSE BENEFIT DETERMINATION or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE.

The process may be requested by the MEMBER or an authorized representative acting on the MEMBER’s behalf with the MEMBER’s written consent. In the event you name an authorized representative, “you” under this section means “you or your authorized representative.” Your representative will also receive all notices and benefit determinations from the appeal. You may ask for, at no charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the health benefit plan or Blue Cross NC in connection with the claim being appealed. Mental Health and Substance Abuse as well as Dental appeals have been delegated to third party vendors. Please see the end of this section for contact information. References to Blue Cross NC throughout this section refer to Blue Cross NC or the designee.

Steps to Follow in the Appeals Process

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION or GRIEVANCE will determine the steps that you will need to follow in the appeals process. For appeals (including GRIEVANCES) about an ADVERSE BENEFIT DETERMINATION, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Any request for review should include:

- SUBSCRIBER’S ID number
- SUBSCRIBER’S name
- Patient’s name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit our website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

All information related to a request for a review through Blue Cross NC’s appeals process should be sent to:

Blue Cross and Blue Shield of North Carolina

You may also receive help from the Employee Benefits Security Administration at 1-866-444-3272.

After a request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case or information before. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations about a particular treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted Blue Cross NC’s internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may (1) pursue a second level appeal (for certain GRIEVANCES); or (2) pursue an external review (for NONCERTIFICATIONS); or (3) pursue a civil action. You will be deemed to have exhausted Blue Cross NC’s internal appeals process at any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under Federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or a situation beyond Blue Cross NC’s control). In the event you are deemed to have exhausted Blue Cross NC’s internal appeals process and, unless specifically noted below, you may pursue items (2) or (3) described above.

Timeline for Appeals

For appeals about an ADVERSE BENEFIT DETERMINATION, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Internal Appeals

First Level Appeal

If you are dissatisfied with an ADVERSE BENEFIT DETERMINATION or if you have a GRIEVANCE, you have the right to appeal (first level appeal). Within three business days after Blue Cross NC receives your appeal, Blue Cross NC will provide you with the name, address and phone number of the appeals coordinator and
NEED TO APPEAL OUR DECISION? (cont.)

instructions on how to submit written materials.

• During the internal appeals process you may:
  – request and receive from us all information that applies to your appeal
  – provide and/or present written evidence and testimony
  – receive, in advance, any new information that Blue Cross NC may use in making a decision or any new or additional rationale so that you have an opportunity to respond prior to the notice of the final adverse benefit determination
  – receive instructions on how to request an independent external review through NCDOI upon completion of this review if not satisfied with the decision (available for noncertifications only).

Blue Cross NC asks that you send all of the written material you feel is necessary to make a decision. Blue Cross NC will use the material provided in the request for review, along with other available information, to reach a decision. If your appeal is due to a noncertification, your appeal will be reviewed by a North Carolina licensed medical doctor who was not involved in the initial noncertification decision. Blue Cross NC will consult with a North Carolina professional who has appropriate training and experience in the field of medicine involved. For all adverse benefit determinations and grievances, Blue Cross NC will send you and your provider notification of the decision in clear written terms within a reasonable time but no later than 30 days from the date Blue Cross NC received the appeal.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for review and consideration or any appropriate action against the provider. State law does not allow for a second-level grievance review for grievances concerning quality of care.

Expedited Appeals (Available only for noncertifications)

You have the right to a more rapid or expedited review of a noncertification if a delay: (i) would reasonably appear to seriously jeopardize your or your dependent’s life, health or ability to regain maximum function; or (ii) in the opinion of your provider, would subject you or your dependent to severe pain that cannot be adequately managed without the requested care or treatment.

To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the phone number given in “Who to Contact?” An expedited review will take place in consultation with a medical doctor. All of the same conditions for a standard appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your provider as soon as possible, taking into account the medical circumstances. The decision will be communicated no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

If you do not agree with the first level appeal described above, you have the right to a second level review for certain GRIEVANCES. Second level reviews are not allowed for benefits or services that are clearly excluded by this benefit booklet, quality of care complaints, or NONCERTIFICATIONS. Within ten business days after Blue Cross NC receives your request for a second level review, the following information will be given to you:

- Name, address and phone number of the second level review coordinator
- Availability of Health Insurance Smart NC including address and phone number
- A statement of your rights, including the right to:
  - request and receive from us all information that applies to your GRIEVANCE
  - take part in the second level review meeting
  - present your case to the review panel
  - submit supporting material before and during the review meeting
  - ask questions of any member of the review panel
  - be assisted or represented by a person of your choosing, including a family member, an employer representative or an attorney.

The second level review meeting will be conducted by a review panel arranged by Blue Cross NC. The panel will include external physicians and/or benefit experts. This will be held within 45 days after Blue Cross NC receives a second level review request. Blue Cross NC will give you notice of the meeting date and time at least 15 days before the meeting. The meeting will be held by teleconference. You have the right to a full review of your GRIEVANCE even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting. This second level review is the last review available for GRIEVANCES.

External Review (Available only for NONCERTIFICATIONS)

Federal and state law allows for review of ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). The North Carolina Department of Insurance (NCDOI) administers this service at no charge to you. NCDOI will arrange for an IRO to review your case once the NCDOI confirms that your request is complete and eligible for review. Blue Cross NC will let you know of your right to request an external review each time you receive:

- an ADVERSE BENEFIT DETERMINATION, or
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION.

However, in order for your request to be eligible for an external review, the NCDOI must determine the following:

- your request is about a MEDICAL NECESSITY determination that resulted in an ADVERSE BENEFIT DETERMINATION (e.g., NONCERTIFICATION);
NEED TO APPEAL OUR DECISION? (cont.)

- you had coverage with Blue Cross NC when the ADVERSE BENEFIT DETERMINATION was issued;
- the service for which the ADVERSE BENEFIT DETERMINATION was issued appears to be a COVERED SERVICE; and
- you have exhausted or have been deemed to have exhausted Blue Cross NC’s internal appeals process as described below.

For a standard external review, you will be considered to have exhausted the internal appeals process if you have:

- completed Blue Cross NC’s appeals process and received a written determination on the appeal from Blue Cross NC, or
- filed an appeal and, except to the extent that you have requested or agreed to a delay, have not received Blue Cross NC’s written decision on the appeal within 60 days of the date you can show that you submitted the request, or
- received written notification that Blue Cross NC has agreed to waive the requirement to exhaust the internal appeals process, or
- determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under Federal law (as discussed above).

External reviews are performed on a standard or expedited basis. The basis depends on which is requested and whether medical circumstances meet the criteria for expedited review.

Standard External Review

For all requests for a standard external review, you must file your request with the NCDOI within 120 days of receiving one of the notices listed above. You will not be eligible to request an external review until you have completed the internal appeals process as referenced above and have received a final ADVERSE BENEFIT DETERMINATION from Blue Cross NC.

Expedited External Review

An expedited external review may be available if the time required to complete either an expedited internal appeals review or a standard external review would be expected to seriously jeopardize your life or health or to jeopardize your ability to regain maximum function. If you meet this requirement, you may file a request to the NCDOI for an expedited external review, after you receive:

- an ADVERSE BENEFIT DETERMINATION from Blue Cross NC and have filed a request with Blue Cross NC for an expedited appeal; or
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION (also known as a final internal ADVERSE BENEFIT DETERMINATION).

Prior to your discharge from an inpatient facility, you may also request an expedited external review after receiving a final internal ADVERSE BENEFIT DETERMINATION of the admission, availability of care, continued stay or EMERGENCY health care services.

If your request is not accepted for expedited review, the NCDOI may:

(1) accept the case for standard external review if you have completed the internal appeals process; or
(2) require the completion of the internal appeals process and another request for an external review. An expedited external review is not available for retrospective (post-service) ADVERSE BENEFIT

The Health Insurance Smart NC Program provides consumer counseling on utilization review and appeals issues.

Within ten business days (or, for an expedited review, within two days) after receipt of your request for an external review, the NCDOI will let you and your PROVIDER know in writing whether your request is complete and whether it has been accepted. If the NCDOI notifies you that your request is incomplete, you must provide all requested information to the NCDOI within 150 days of the written notice from Blue Cross NC upholding an adverse benefit determination, which initiated your request for an external review.

If the NCDOI accepts your request, the acceptance notice will include the following:

(i) name and contact information for the IRO assigned to your case;
(ii) a copy of the information about your case that Blue Cross NC has provided to the NCDOI; and
(iii) a notification that you may submit additional written information and supporting documentation relevant to the initial adverse benefit determination to the assigned IRO within seven days after the receipt of the notice.

It is presumed that you have received written notice two days after the notice was mailed. Within seven days of Blue Cross NC’s receipt of the acceptance notice (or, for an expedited review, within the same business day), Blue Cross NC shall provide the IRO and you, by the same or similar quick means of communication, the documents and any information considered in making the adverse benefit determination. If you choose to give any additional information to the IRO, you must also give that same information to Blue Cross NC at the same time and by the same means of communication (e.g., you must fax the information to Blue Cross NC if you faxed it to the IRO). When sending additional information to Blue Cross NC, send it to:

Blue Cross and Blue Shield of North Carolina
Member Appeals
PO Box 30055
Durham, NC 27702-3055

Please note that you may also give this additional information to the NCDOI within the seven-day deadline rather

than sending it directly to the IRO and Blue Cross NC. The NCDOI will forward this information to the IRO and Blue Cross NC within two days after receiving the additional information.

The IRO will send you written notice of its decision within 45 days (or, for an expedited review, within three days) after the date the NCDOI received your external review request. If the IRO’s decision is to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will, within three business days (or, for an expedited review, the same day) after receiving notice of the IRO’s decision, reverse the ADVERSE BENEFIT DETERMINATION and provide coverage for the requested service or supply. If you are no longer covered by Blue Cross NC at the time Blue Cross NC receives notice of the IRO’s decision to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been noncertified when first requested.

The IRO’s external review decision is binding on Blue Cross NC and you, except to the extent you may have other actions available under applicable federal or state law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION for which you have already received an external review decision.

Benefits to Which MEMBERS Are Entitled

The only legally binding benefits are described in this benefit booklet. The terms of your coverage cannot be changed or waived unless Blue Cross NC agrees in writing to the change.

If a MEMBER resides with a custodial parent or legal guardian who is not the SUBSCRIBER, Blue Cross NC will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the SUBSCRIBER or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in this health benefit plan will be provided only for services and supplies that are performed by a PROVIDER as specified in this health benefit plan and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under this health benefit plan.

Any amounts paid by Blue Cross NC for noncovered services or that are in excess of the benefit provided under your Blue Value with UNC Health Alliance coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER’s future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you.

Blue Cross NC will recover amounts we have paid for work-related accidents, injuries, or illnesses covered under state workers’ compensation laws upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the employer or the workers’ compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.
ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

Blue Cross NC’s Disclosure of Protected Health Information (PHI)

At Blue Cross NC, we take your privacy seriously. We handle all PHI as required by state and federal laws and regulations and accreditation standards. We have developed a privacy notice that explains our procedures.

To obtain a copy of the privacy notice, visit our website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Administrative Discretion

Blue Cross NC has the authority to make reasonable determinations in the administration of coverage. These determinations will be final. Such determinations include decisions concerning eligibility for benefits (for non-MARKETPLACE plans), coverage of services, care, treatment, or supplies, and reasonableness of charges. Blue Cross NC medical policies are guides considered by Blue Cross NC when making coverage determinations. If you purchased a MARKETPLACE plan, the MARKETPLACE makes all eligibility determinations and has the authority to make changes to their eligibility requirements at any time.

North Carolina PROVIDER Reimbursement

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC’s payment to PROVIDERS may be based on an amount other than the billed charges, including, without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER’s liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER’s billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Value with UNC Health Alliance MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Value with UNC Health Alliance ALLOWED AMOUNT and the contracted amount.

OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you may be responsible for paying the bill and filing a claim with Blue Cross NC.

Services Received Outside of North Carolina

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as “Inter-Plan Arrangements.” As a MEMBER of Blue Cross NC, you have access to PROVIDERS outside the state of North Carolina. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.
ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

Your ID CARD tells PROVIDERS that you are a MEMBER of Blue Cross NC. While Blue Cross NC maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the service area where you receive services (“Host Blue”) is responsible for contracting with and generally handling all interactions with its participating PROVIDERS.

If you receive inpatient FACILITY SERVICES from an IN-NETWORK PROVIDER outside of North Carolina, except for Veterans’ Affairs (VA) and military PROVIDERS, the PROVIDER is responsible for requesting PRIOR REVIEW. If you see any other PROVIDER outside the State of North Carolina, you are responsible for ensuring that you or the PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a full denial of benefits. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services.

Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through the BlueCard® Program, which is included in Inter-Plan Arrangements. Under the BlueCard® Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the lesser of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the Host Blue passes on to us. This “negotiated price” can be:
  - A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
  - An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
  - An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered healthcare services according to applicable law.

If you receive COVERED SERVICES from a non-participating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue’s non-participating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, Blue Cross NC may use other payment bases, such as billed charges, to determine the amount Blue Cross NC will pay for COVERED SERVICES from a non-participating PROVIDER. In other exception cases, Blue Cross NC may pay such a claim based on the payment it would make if Blue Cross NC were paying a non-participating PROVIDER for the same covered healthcare services inside of Blue Cross NC’s SERVICE AREA, where the Host Blue’s corresponding payment would be more than Blue Cross NC’s in-service area non-participating PROVIDER payment, or in Blue Cross NC’s sole and absolute discretion, Blue Cross NC may negotiate a payment with such a PROVIDER on an exception basis. In
ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

any of these situations, you may be liable for the difference between the non-participating PROVIDER'S billed amount and any payment Blue Cross NC would make for the COVERED SERVICES. Federal or state law, as applicable, will govern payments for OUT-OF-NETWORK EMERGENCY services.

Blue Cross Blue Shield Global Core

If you are outside the United States (hereinafter “BlueCard service area”), you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing COVERED SERVICES. The Blue Cross Blue Shield Global Core is unlike the BlueCard® Program available in the BlueCard® service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from PROVIDERS outside the BlueCard® service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard® service area, you should call the Blue Cross Blue Shield Global Core service center at 1-800-810-2583 (BLUE) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

Outpatient Services

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard® service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for COVERED SERVICES outside the BlueCard® service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER’S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-2583 (BLUE) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.
ADDITIONAL TERMS OF YOUR COVERAGE (cont.)

Misrepresentation

If a MEMBER’s actions result in an act or practice that constitutes fraud or makes an intentional misrepresentation of a material fact, Blue Cross NC, in its discretion, may: 1) after 30 days advance written notice, void your policy and/or rider retroactive to the original EFFECTIVE DATE, and any premium paid may be refunded after Blue Cross NC deducts the amount for any claims paid, or 2) terminate your policy and/or rider immediately.

In the first two years of coverage, if there are any other false or incomplete statements on your application, Blue Cross NC, in its discretion, may reform your policy and/or rider to a higher rate tier resulting in the appropriate higher premium.

Blue Cross NC Modifications

No one may waive or change the coverage other than an officer authorized by the Board of Trustees. However, if any provision of this health benefit plan is in conflict with the statutes of North Carolina, it should be considered to be automatically amended to conform to the minimum requirements of such statutes. This benefit booklet, together with any amendments and applications for coverage, is the entire agreement between you and Blue Cross NC. Any changes must be in writing.

Blue Cross NC Notifications

Any notice sent to a MEMBER, custodial parent or legal guardian is considered received by the MEMBER, custodial parent or legal guardian when deposited in the United States mail, with postage prepaid addressed to the MEMBER, custodial parent, legal guardian or agent at the address as shown on Blue Cross NC’s records.

Blue Cross NC Contract

This policy is a contract between you and Blue Cross NC, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield plans, permitting Blue Cross NC to use the Blue Cross and Blue Shield service marks in the state of North Carolina. Blue Cross NC is not contracting as an agent of the Blue Cross and Blue Shield Association. You hereby acknowledge and agree that you have not entered into this policy based upon representations by any person other than Blue Cross NC and that no person, entity or organization other than Blue Cross NC shall be held accountable or liable to you for any obligations to you created under this policy. This paragraph shall not create any additional obligations whatsoever on the part of Blue Cross NC other than those obligations created under other provisions of this agreement.

This policy is made, executed and delivered in the State of North Carolina, and it and the MEMBER coverage provided shall be governed under the laws of the State of North Carolina, except to the extent preempted by federal law. Any provision of this policy that conflicts with the laws of the State of North Carolina is amended to conform to the minimum requirements of such laws.

Notice of Claim

Blue Cross NC will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given
to Blue Cross NC within 18 months after the MEMBER incurs the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits.

**Limitation of Actions**

No legal action may be taken to recover benefits for 60 days after the Notice of Claim has been given as specified above and until you have exhausted all administrative remedies, including following the appeals process described in “Need to Appeal Our Decision?” No legal action may be taken later than three years from the date services are incurred. Any legal action will be governed by North Carolina law.

**Evaluating New Technology**

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow us to determine the best services and products to offer our MEMBERS. They also help us keep pace with the ever-advancing medical field. Before implementing any new or revised policies, we review professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. We then seek additional input from PROVIDERS who know the needs of the patients they serve.
The following federal notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See “Covered Services” for more details.

**Statement of Rights Under the Newborns' and Mothers' Health Protection Act**

Under federal law, health insurance issuers may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

**Mastectomy Benefits**

Under the Women’s Health and Cancer Rights Act of 1998, this health benefit plan provides for the following services related to mastectomy SURGERY:

- Reconstruction of the breast on which the mastectomy has been performed
- SURGERY and reconstruction of the nondiseased breast to produce a symmetrical appearance, without regard to the lapse of time between the mastectomy and the reconstructive SURGERY
- Prostheses and physical complications of all stages of the mastectomy, including lymphedemas.

See “PROVIDER’S Office,” or for external prostheses, see “PROSTHETIC APPLIANCES” in “Other Services” in the “Summary of Benefits.”

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable deductibles, copayment or coinsurance and limitations as applied to other medical and surgical benefits provided under this health benefit plan.
SPECIAL PROGRAMS

Programs Outside Your Regular Benefits

Blue Cross NC may offer or provide programs that are outside your regular benefits. These offers or programs may be changed from time to time. Following are examples of programs that may be included outside your regular benefits:

- Health and wellness programs
- Discounts or promotional offers on goods and services from other companies including certain types of providers
- Service programs for members identified with complex health care needs, including a dedicated administrative contact, consolidated claims data information, and supportive gift items
- Rewards or drawings for gifts based on activities related to online tools found on Blue Cross NC’s website
- Rewards or drawings for gifts based on participation in initiatives and/or programs to reduce health care costs
- Periodic drawings for gifts, which may include club memberships and trips to special events, based on submitting information
- Rewards for participation in wellness/educational activities. Reward type may be based on program participation levels and membership duration
- Charitable donations made on your behalf by Blue Cross NC.

Blue Cross NC may not provide some or all of these items directly, but may instead arrange these for your convenience. These discounts or promotional offers are outside your health plan benefits. Blue Cross NC is not liable for problems resulting from goods and services it does not provide directly, such as goods and services not being provided or being provided negligently. The gifts and charitable donations are also outside your health plan benefits. Blue Cross NC is not liable for third party providers’ negligent provision of the gifts. Blue Cross NC may stop or change these programs at any time.

Health Information Services

If you have certain health conditions, Blue Cross NC or a representative of Blue Cross NC may contact you to provide information about your condition, answer questions and tell you about resources that may be available to you. Your participation is voluntary, and your medical information will be kept confidential.
GLOSSARY

These definitions will help you understand this health benefit plan. Please note that some of these terms may not apply to this health benefit plan.

ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit, including one that results from the application of any utilization review, or a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage and initial eligibility determinations are also included as adverse benefit determinations.

ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. Except as otherwise specified in “EMERGENCY Care,” for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER’S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard® system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER’S billed charge or an amount established by Blue Cross NC or through the BlueCard® system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than as described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER’S billed charge unless doing so is required in order to comply with North Carolina Statutes. Calculation of the allowed amount is based on several factors, including Blue Cross NC’s medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

AMBULATORY SURGICAL CENTER

A NONHOSPITAL FACILITY with an organized staff of DOCTORS, which is licensed or certified in the state where located, and which:

a) Has permanent facilities and equipment for the primary purpose of performing surgical procedures on an OUTPATIENT basis
b) Provides nursing services and treatment by or under the supervision of DOCTORS whenever the patient is in the facility
c) Does not provide inpatient accommodations
d) Is not, other than incidentally, a facility used as an office or clinic for the private practice of a DOCTOR or OTHER PROVIDER.

AMERICAN INDIAN/ALASKA NATIVE PROVIDER

A PROVIDER operating under a health program administered by Indian Health Service, a federally recognized Indian tribe, tribal organization or urban Indian organization or through referral under contract health services. Designation as an American Indian/Alaska Native provider is solely determined by the Federal Government.
ANCILLARY PROVIDER

Independent clinical laboratories, durable/home medical equipment and supply providers, or specialty pharmacies. Ancillary providers are considered IN-NETWORK if they contract directly with the Blue Cross or Blue Shield plan in the state where services are received, based on the following criteria:

a) For independent clinical laboratories, services are received in the state where the specimen is drawn
b) For durable/home medical equipment and supply PROVIDERS, services are received in the state where the equipment or supply is shipped (receiving address) or if purchased at a retail store, the vendor must be contracted with the plan in the state where the retail store is located
c) For specialty pharmacies, services are received in the state where the ordering physician is located.

BENEFIT PERIOD

The 12-month period of time, as stated in the “Summary of Benefits,” during which charges for COVERED SERVICES provided to a MEMBER must be INCURRED in order to be eligible for payment by Blue Cross NC. A charge shall be considered INCURRED on the date the service or supply was provided to a MEMBER.

BENEFIT PERIOD MAXIMUM

The maximum amount of charges or number of visits in a BENEFIT PERIOD that will be covered on behalf of a MEMBER. Services in excess of a benefit period maximum are not COVERED SERVICES, and MEMBERS may be responsible for the entire amount of the PROVIDER’S billed charge.

BIOLOGIC

A complex large molecule drug produced from protein or living organisms.

BIOSIMILAR

PRESCRIPTION DRUG products approved by the U.S. Food and Drug Administration (FDA) that are subsequent versions of previously approved BIOLOGIC drugs, also known as follow-on BIOLOGICS. Biosimilar drugs are manufactured after the patent and exclusivity protection of the BIOLOGIC drug have expired.

BRAND-NAME

The proprietary name of the PRESCRIPTION DRUG that the manufacturer owning the patent places upon a drug product or on its container, label or wrapping at the time of packaging. A brand-name drug has a trade name and is protected by a patent and can only be produced and sold by the manufacturer owning the patent. Blue Cross NC makes the final determination of the classification of brand-name drug products based on information provided by the manufacturer and other external classification sources, such as the U.S. Food and Drug Administration (FDA) and nationally-recognized drug databases.

CERTIFICATION

The determination by Blue Cross NC that an admission, availability of care, continued stay, or other services, supplies or drugs have been reviewed and, based on the information provided, satisfy our requirements for MEDICALLY NECESSARY services and supplies, appropriateness, health care setting, level of care and effectiveness.

c) Within generally accepted standards of dental care in the community, and

Emergency cesarean section will be considered eligible for benefit application only when provided in the course of treatment for those conditions listed above as a complication of pregnancy. Common side effects of an otherwise normal pregnancy, conditions not specifically included in this definition, episiotomy repair and birth injuries are not considered complications of pregnancy.

### CERTIFICATION Requirements

Certain services, regardless of the location, require PRIOR REVIEW and CERTIFICATION by Blue Cross NC in order to receive benefits. IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient FACILITIES outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans’ Affairs (VA) and military PROVIDERS. Otherwise, if you go to an OUT-OF-NETWORK PROVIDER in North Carolina or to any other PROVIDER outside of North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC.

Failure to request PRIOR REVIEW and receive CERTIFICATION will result in a full denial of benefits. See “COVERED SERVICES” and “PRIOR REVIEW (Pre-Service)” in “UTILIZATION MANAGEMENT” for additional information.
Blue Cross NC delegates PRIOR REVIEW and CERTIFICATION for particular benefits to other companies not associated with Blue Cross NC. Please see https://www.bluecrossnc.com/providers/medical-policies-and-coverage/search-medical-policy for a detailed list of these companies and benefits. While some benefits have been identified under “COVERED SERVICES,” the list of benefits and/or companies may change from time to time; for the most up-to-date information visit https://www.bluecrossnc.com/providers/medical-policies-and-coverage/search-medical-policy.

To request PRIOR REVIEW, please see the numbers in “Who to Contact?”

**PRESCRIPTION DRUGS**

**Please note:** You may pay a different amount in certain situations when choosing between GENERIC and BRAND-NAME PRESCRIPTION DRUGS. If your PROVIDER requires you to take, or you decide you want, the BRAND-NAME drug on the higher tier instead of the GENERIC equivalent on the lower tier, you will pay the BRAND-NAME copayment or coinsurance plus the cost difference between the BRAND-NAME ALLOWED AMOUNT and the GENERIC ALLOWED AMOUNT. For PRESCRIPTION DRUGS received from an OUT-OF-NETWORK pharmacy, you will also pay any charges over the ALLOWED AMOUNT. See Essential FORMULARY at http://www.bcbsnc.com/essentialQ

You may not be required to pay the difference between the BRAND-NAME ALLOWED AMOUNT and the GENERIC ALLOWED AMOUNT for certain BRAND-NAME PRESCRIPTION DRUGS, if these criteria are met: 1) the BRAND-NAME PRESCRIPTION DRUG is on the Narrow Therapeutic Index (NTI). See www.ncbop.org/faqs/Pharmacist/faq_NTIDrugs.htm for a current list of these drugs; or 2) your PROVIDER required the use of a BRAND-NAME PRESCRIPTION DRUG to treat your condition. Applicable copayment or coinsurance amounts may still apply.

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

Post Office Box 10218
Raleigh, North Carolina, 27605

North Carolina Department of Insurance, Consumer Services Division

Raleigh, NC 27699-1201

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law’s coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

**EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed the average rate specified in the law;
- dividends;
- experience or other credits given in connection with the administration of a policy by a group contract holder;
- employers’ plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.

**LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the association is obligated to pay out as follows:

1. The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
2. Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of $300,000 per individual, per insolveney, no matter the number of policies or types of policies issued by the insolvent company.
3. The guaranty association will pay a maximum of $500,000 with respect to basic hospital, medical and surgical insurance and major medical insurance.
4. The guaranty association will pay a maximum of $1,000,000 with respect to the payee of a structured settlement annuity.
5. The guaranty association will pay a maximum of $5,000,000 to any one unallocated annuity contract holder.
