Please be aware that some services and supplies received by members in an office setting or in connection with an office visit are in fact provided by hospital-owned or operated practices. These services and supplies may be subject to your deductible and coinsurance. Prior to scheduling an appointment, please confirm with your provider whether the practice is hospital-owned or whether any services are hospital-based and may be subject to deductible and coinsurance.

BCBSNC updates this directory at least twice annually.

BCBSNC has earned the National Committee for Quality Assurance's (NCQA) highest level of accreditation for its HMO (Personal Care Plan and Blue Care), Point-of-Service (MedPoint and Blue Choice), and PPO (Blue Options) health plans. BCBSNC joins the elite ranks of health plans nationwide whose level of service and clinical quality meet or exceed NCQA's rigorous requirements for consumer protection and quality improvement.

NCQA is an independent, not-for-profit organization dedicated to measuring the quality of America's health care. A team of physicians and health care experts conducts NCQA's onsite and offsite evaluations. There are approximately 60 standards for quality included in the following categories:

- Quality Improvement
- Physician Credentials
- Members’ Rights and Responsibilities
- Preventive Health Services
- Utilization Management
- Medical Records

The Diabetes Physician Recognition Program (DPRP) created by NCQA and the American Diabetes Association (ADA), awards recognition to physicians who demonstrate that they provide high quality care to patients with diabetes.
