BCBSNC Dental Payment Options

Option	Summary	Details
QuicRemit	A fax is sent to your office containing a virtual MasterCard with a number unique to your payment transaction. You will receive a detailed Explanation of Payment in the fax along with the card number.	• The amount of credit is for the total due for claims processed during that cycle for all BCBSNC Dental Blue and Dental Blue Select members • Normal MasterCard debit transaction fees apply. This normally ranges from 2-4% of total payments based on the agreement between your office and your card vendor. • Payments are received 2-5 days earlier than paper checks since there are no print and mail delays. • If the card transaction is not processed within 30 days, the virtual MasterCard debit transaction will be voided and a paper check will automatically be sent to your office. • You can "opt out" of this payment option at any time by calling BCBSNC at 1-800-305-6638. If you "opt-out" all future payments will be delivered via EFT or paper check at your direction. • If you have employees processing payments from remote locations, this may not be a viable option since they would need access to the credit card terminal.
EFT / ACH	Your office receives payment via electronic funds transfer (EFT) when you provide your banking account information.	• Normal banking transaction fees apply. • Payments are received 2-5 days earlier than paper checks since there are no print and email delays. • Payment information delivered via secure website with email notification of new data available. • You can "opt out" of this payment option at any time by calling BCBSNC at 1-800-305-6638. If you "opt-out" all future payments will be delivered via paper check, unless you choose QuicRemit.
Paper Check	Your office receives paper checks and Explanation of Payment(s).	• In order to receive paper checks, you should call BCSBNC at 1-800-305-6638. • If you chose this option you will continue to receive payments via paper check until such time as you call and let us know that you prefer another payment option.
