

## Codes by procedure types requiring medical records submissions

The following is a list of the CPT and HCPCS codes known to typically require additional information to the document medical necessity for Blue Medicare patients. When reporting one of the following codes on a Blue Medicare member's claim, only the medical records identified as "Information Required" should be submitted to Blue Cross NC in advance of the claim being filed.

Please note this code listing is not to be considered all-inclusive and is subject to revision by Blue Cross NC at any time.
