

Notification of Policy Revisions Effective November 14, 2011 (Posted December 19, 2011)

<b>Medical Policy</b>	<b>Revision</b>
<b>Dental Services and Procedures in a Hospital, Outpatient Facility, or Ambulatory Surgery Center</b>	Combined two dental policies (Dental Procedures in a Hospital, Outpatient Facility or Ambulatory Surgery Center and Dental Services) into one policy. Staff and providers now have one policy applicable to the coverage of dental services to reference.
<b>Antiemetic Medications</b>	Revised language regarding coverage when administered with a particular chemotherapy treatment to be consistent with the LCD
<b>Transplants: Stem Cells and Organ</b>	Added language from the Medicare Managed Care Manual- Chapter 4, section 304 which provides Medicare guidance on when the plan is required to cover a transplant at a distant location.
