

Important Information for Blue Advantage Members:

The Blue Cross and Blue Shield of North Carolina (BCBSNC) online provider directory is developed using information from network providers, facilities, and other third parties. BCBSNC does its best to post the most accurate, up-to-date information. However, because providers are continually added to our network and providers occasionally decide to discontinue their participation, we cannot guarantee the accuracy or currency of our information at the time of your search.

Adaptive Behavioral Treatment (ABT) must be provided or supervised by one of the following licensed professionals who are certified to provide this treatment: a licensed psychologist or psychological associate, a licensed psychiatrist or developmental pediatrician, a licensed speech and language pathologist, a licensed occupational therapist, a licensed clinical social worker, a licensed professional counselor, or a licensed marriage and family therapist. Below, you will find providers that have identified that they may perform some ABT services. It will still be necessary to meet the Medical Policy criteria through the prior review and certification authorization process in order for these services to be covered. Please contact the provider to determine if these services are offered.
